

## **Mode Projects: Privacy Policy**

### **Key details**

This website privacy policy describes how Mode Projects protects and makes use of the information you give the company when you use this website.

If you are asked to provide information when using this website, it will only be used in the ways described in this privacy policy.

This policy is updated from time to time. The latest version is published on this page.

This website privacy policy was updated on 14th October 2021.

If you have any questions about this policy, please email [office@mode-projects.co.uk](mailto:office@mode-projects.co.uk) or by writing to:

The Office Manager  
Mode Projects Ltd

### **Introduction**

We gather and use certain information about individuals in order to provide products and services and to enable certain functions on this website.

We also collect information to better understand how visitors use this website and to present timely, relevant information to them.

### **What data we gather**

We may collect the following information:

- Name
- Email address
- Postal address (in order to visit your property)
- Telephone number

### **How we use this data**

Collecting this data helps us understand what you are looking for from the company, enabling us to deliver improved products and services.

Specifically, we may use data:

- To contact you in response to a specific enquiry
- To send you promotional emails about products, services, offers and other things we think might be relevant to you

You may unsubscribe from email communication at any time by clicking the Unsubscribe

link in any email message from us.

### **Payment data**

We will not request any payment data from you. All payments from you to us, will be made by bank transfer/BACS.

### **Cookies and how we use them**

#### **What is a cookie?**

A cookie is a small file placed on your computer's hard drive. It enables our website to identify your computer as you view different pages on our website.

Cookies allow websites and applications to store your preferences in order to present content, options or functions that are specific to you. They also enable us to see information like how many people use the website and what pages they tend to visit.

#### **How we use cookies**

We may use cookies to:

- Analyse our web traffic using an analytics package. Aggregated usage data helps us improve the website structure, design, content and functions.
- Identify whether you are signed in to our website. A cookie allows us to check whether you are signed into the site.
- Test content on our website. For example, 50% of our users might see one piece of content, the other 50% a different piece of content.
- Store information about your preferences. The website can then present you with information you will find more relevant and interesting.
- To recognise when you return to our website. We may show your relevant content or provide functionality you used previously.

Cookies do not provide us with access to your computer or any information about you, other than that which you choose to share with us.

#### **Controlling cookies**

You can use your web browser's cookie settings to determine how our website uses cookies. If you do not want our website to store cookies on your computer or device, you should set your web browser to refuse cookies.

However, please note that doing this may affect how our website functions. Some pages and services may become unavailable to you.

Unless you have changed your browser to refuse cookies, our website will issue cookies when you visit it.

To learn more about cookies and how they are used, visit **All About Cookies**.

#### **Controlling information about you**

We will never lease, distribute or sell your personal information to third parties unless we

have your permission or the law requires us to.

Any personal information we hold about you is stored and processed under our data protection policy, in line with the applicable regulations.

### **Security**

We will always hold your information securely.

To prevent unauthorised disclosure or access to your information, we have implemented strong physical and electronic security safeguards.

We also follow stringent procedures to ensure we work with all personal data in line with the applicable regulations.

### **Links from our site**

Our website may from time to time contain links to other websites.

Please note that we have no control of websites outside our domain. If you provide information to a website to which we link, we are not responsible for its protection and privacy.

Always be wary when submitting data to websites. Read the site's data protection and privacy policies fully.
